Task 1– Report Write-up

NAME: BHUMIKA SHARMA

REGISTRATION NUMBER: 25BOE10070

BRANCH: B.Tech Bioengineering

In this task, I created an infographic using Canva to present the concept of digital literacy in a clear and visually appealing manner. The aim was to spread awareness about the importance of digital skills in today's world, including safe internet usage, responsible social media behavior, and basic technical knowledge.

While designing the infographic, I focused on using simple language, relevant icons, and an organized layout so that the information could be easily understood by anyone. I included key points such as online safety, data privacy, and the importance of verifying information before sharing it. This task helped me improve my creativity as well as my ability to present information effectively using digital tools.

Overall, I learned that visual content plays an important role in communication, especially in spreading awareness among students. This task enhanced my understanding of digital literacy and its practical applications in everyday life.
